Intern _ SDET

o Project Title   : **SapeStore – Online Book Retail Store**
- Organisation : SapientRazorfish, Gurgaon
- Designation : Trainee QA / Intern
- Duration   : 16 Weeks(Jan`17 - May`17)

   <u>Key Learning</u>
- Sprint and Scrum software development model
- Test scripts and automated tests through Selenium and TestNG

Intern _ SDE

o   Project Title   : **Web Logs Analyser**
- Organisation : IBM-KVCHE, Noida
- Designation : Trainee
- Duration   : 4 Weeks (Jun`16)

   <u>Key Learning</u>
- HDFS fundamentals and MapReduce Algorithm
- Hive and Pig Latin scripting
- Identity Reducers and Sqoop
- Apache Flume and Twitter APIs for data collection

Skills_____

- Automation Frameworks   : Selenium, Protractor, Appium
- Programming Languages   : C, C++, Java J2EE, Python
- Scripting Languages   : Python, HTML, CSS, JavaScript
- Databases   : MySQL and Oracle
- Performance Testing through Jmeter
- Penetration Testing Suites (AirCrack-ng, MetaSploit and WireShark)

Achievements_____

- Contribution in creating E2E test automation framework from scratch for back-end services, mobile apps and web services
- QA'ed products from scratch to lead them from chaos to stability
- Worked in a very agile (2 releases per week) TDD paradigm bringing down the number of post-prod bugs and resulting in the increase of product quality

Academic_Projects_____

- Twitter data fetching and analysis through Hadoop and Apache Flume

- Bluetooth controlled door lock through Arduino
- Proximity Sensor based Media Player on Android
- Notification Broadcaster on Android

Strengths_____

- Considerate towards quality of work
- Socialite and eloquent
- Strong presentation ability
- Adaptable and resourceful

Hobbies_____

- Blogging
- Reading
- Playing basketball and skating
- Gardening
- Composing Electro Music
- Oracy
